Should a bidder find discrepancies in or omissions from the specification or other documents, or should there be any doubt as to their meaning, they should at once notify the purchaser and obtain clarification in writing. This however does not entitle the bidder to ask for *time beyond the due date fixed for receipt of tenders.*

26. Submitted tender forms with *overwritten or erased or illegible rate or rates* not shown in *figures and words in English* will be liable for rejection. In case of discrepancy between words and figures noted against the item of the tender and between unit rates and the total amount, the decision of the competent authority accepting the tender will be final and binding on the bidders. Corrections in the tender, if unavoidable, should be made by rewriting with date and initial of the tenderer after scoring out of the wrong entries. *Clerical and arithmetical* mistakes may result in *rejection* of the tender.
27. While tenders are under consideration, bidders and their representatives or other interested parties, are advised to *refrain from contacting by any means, and Purchaser's personnel or representatives* on matters relating to the tenders under study. The purchaser if necessary will obtain clarification on tenders by requesting such information from any or all the bidders either in writing or through personal contact as may be necessary. The bidder will not be permitted to change the substance of his offer after the tenders have been opened. This includes any post tender price revision/major modifications. In the event of non-compliance with this provision, the tender is liable to be disqualified.
28. If the rate quoted by the bidder is less than 15% of the amount put to tender, then such a bid shall be rejected and the tender shall be finalized basing on merits of rest bids. But, if more than one bid is quoted (decimal up to two numbers will be taken for all practical purposes i.e. 14.99%) either at the estimated cost put to tender or less than the estimated cost put to tender, the tender accepting authority will finalize the tender through a transparent lottery system, where all bidders / their authorized representatives, the concerned Divisional Forest Officer of concerned Division and Tender Committee will remain present. The bidders should quote the rate in percentage of the amount put to tender
29. Evaluation criteria:
- A. Only the bidder who qualifies in technical bid will qualify for opening of the financial bid.
  - B. Award of the contract shall be made to the bidder with the lowest (**L1**) commercial value by taking in to account all the items.
30. **Bidders must sign and stamp each page of their tender without which the tender will be considered incomplete.**

The bidder shall when asked in writing by the tenderer, perform extra work and furnish extra materials, not covered by the specifications or included in the schedule, but forming and inseparable part of the work contracted for the terms of payment for such extra work or materials shall be mutually agreed upon in advance.

### **16. EXTENSION OF DELIVERY PERIOD AND TERMINATION OF CONTRACT**

If for any reason, the bidder finds it impracticable to complete the work within stipulated delivery period, he will give notice in writing of such reasons and his failure to complete the work. He may ask for extension of time, which may or may not be granted by tenderer. Should the contractor's preparation for the commencement of delivery in conformity with the contract or should he neglect to comply with any directions given to him or in any respect fail to perform the contract, the tenderer will have power to cancel the contract in which case the contractor shall be liable for any expense, loss or damage which the tenderer or indenter may incur or sustain by reason of or in connection with the Contractor's fault in addition to the forfeiture of the performance guarantee to the tenderer.

#### **17. OBLIGATION TO CARRY OUT TENDERER'S INSTRUCTION**

The Contractor/Supplier shall also satisfy the tenderer or this inspector that adequate provision has been made to carry out his instructions fully and with prompt attitude.

#### **18. TIME AND DATE OF COMPLETION OF CONTRACT**

The time and date stipulated in the tender for the completion of the work shall be deemed to be of the essence of the contract. In case of delay the contractor shall in addition to other liabilities under the contract be liable for all cost of damage and/or hold up in the work due to his failure to complete the contract or portion thereof. The tenderer shall be entitled to withhold any payment until the whole work is completed and recover from the vendor cost damages and/or held up in the work as stated above. But if the delay is due to any cause such as strike, lockout fire, accident, riot that the tenderer may admit as reasonable ground for further time, the tenderer shall allow such additional time as he may consider to have been required by the circumstances of the case.

#### **19. FINAL AUTHORITY**

The final authority for payments will be the tenderer except otherwise specifically stated and if the bidder desires to appeal against any matter he shall appeal to **“The Principal Conservator of Forests (Wildlife) & Chief Wildlife Warden, Odisha, Bhubaneswar whose decision on such matters shall be final and conclusive.**
